Sicherheitshinweise

- Montage, Anschluss und Inbetriebnahme bzw. Wartung der Leuchte darf nur durch autorisiertes Fachpersonal erfolgen.
- Strom vor dem Arbeiten abschalten.
- Netzanschluss nur über eingebaute bzw. beiliegende Klemmen vornehmen.
- Beim Hantieren mit der Leuchte wird das Tragen von Handschuhen empfohlen.
- Der kleinste erlaubte Abstand von Objekten zu Lichtquellen beträgt 100 mm.
- Mit der CE-Kennzeichnung bestätigen wir, dass das Produkt den geltenden Anforderungen genügt, die in den Harmonisierungsrechtsvorschriften der Europäischen Gemeinschaft über ihre Anbringung festgelegt sind.
- Die Lichtquellen müssen stets frei sein und dürfen nicht abgedeckt sein.
- Bei der Reinigung ist sicherzustellen, dass keinerlei Flüssigkeit in die Leuchte eindringen kann und keine Verbindungen, Anschlüsse oder Bauteile gelöst bzw. beschädigt werden.
- Die Leuchte darf nur in trockenen Räumen installiert werden.
- Leuchten und Leuchtmittel dürfen nicht über den Hausmüll entsorgt werden, sondern müssen dem lokal vorgegebenen Recyclingprozess zugeführt werden.
- Nicht direkt in die angeschaltete Lichtquelle starren! Die Leuchte muss so positioniert werden, dass ein dauerhaftes direktes Sehen in die Lichtquelle innerhalb 2,5 m Abstand nicht zu erwarten ist.

safety notice

- Installation, connection and commissioning or maintenance of the luminaire may only be carried out by authorized specialist personnel.
- Switch off power before working.
- Only connect to the mains using the built-in or enclosed terminals.
- We recommend wearing gloves when handling the lamp.
- The closest permitted distance between objects and luminaire is 100 mm.
- With the CE marking we confirm that the product meets the applicable requirements set out in the harmonization legislation of the European Community regarding its application.
- The light sources must always be free and must not be covered.
- When cleaning, ensure that no liquid can penetrate the luminaire and that no connections or components are loosened or damaged.
- The luminaire may only be installed in dry spaces.
- Luminaires and illuminants must not be disposed of with household waste, but must be fed into the locally specified recycling process.
- Do not stare directly into the switched-on light source! The luminaire must be positioned in such a way that a permanent direct view of the light source within a distance of 2.5 m is not expected.
